PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Jeraldine Anderson respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 267A at Zapata, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 267A to Zapata, Texas, as that community's first aural broadcast transmission service. Zapata is the County Seat of Zapata County with a population of 7,797 people as of January 1, 1998 according to the Texas State Data Center. Zapata has its own County Judge, David Morales, its own fire department, its own post office, its own school district, its own County Court House and a number of local churches.

Should this petition be granted, and Channel 267A be allotted to Zapata, Texas Petitioner will apply for Channel 267A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,
